CATHOLIC SCHOOLS WEEK E-MAIL CAMPAIGN

Between January 31 and February 6, please visit www.mdcathcon.org to e-mail state legislators and ask them to:

- Support the **BOAST Maryland Tax Credit**, which would help increase scholarships for Catholic school students and grants for Catholic school teachers by offering businesses a tax credit in exchange for their donations to scholarship organizations.
- Support adequate funding of the **Maryland Nonpublic Student Textbook Program**, the state's only source of support for Catholic and other nonpublic school students.
