

CELEBRATIONS BOOK CLUB

St. Mary of the Mills Media Center

September 30, 2011

Dear Parents,

Welcome to our **Celebrations Book Club**. Here is a good way to give our children an appreciation and respect for books and to raise money for our school library.

The idea is simple. If your family would like to honor your child/children or other loved one, you can make a \$10 contribution towards the purchase of an appropriate book for our library. Your child will select a book and a special bookplate with your child's name on it will be placed in the front of the book.

The children who participate will be recognized in the "Think Pink", given a special bookmark and will receive the new book to share with friends and family for two weeks before returning the book to our library.

This program has been a marvelous success since 1996. Many books have been added to our library media shelves. Thank you in advance for remembering St. Mary's library. Your support is greatly appreciated.

Sincerely,

Mary Stafford
