

IXL Summer Math Work

Attention 3rd Graders rising to 4th Grade:

This summer, students will be working on IXL as review. Please log into your St. Mary's IXL account and work on the skills listed below for **at least 30-45 minutes per week**.

Please remember that you must sign into St. Mary's IXL account: <https://www.ixl.com/signin/stmarymills>. (You must have a smart score of an 80 or above in order to have mastered that skill.)

All skills must be completed before the first week of school.
